

LISTING OF COLORADO STATE RECOGNIZED EMS EDUCATION PROGRAMS

The Colorado Department of Public Health and Environment, EMTS Section does not maintain a list of upcoming training.

You must contact individual education programs for their schedules.

List Date: 12/12/2006

Use of this form:

1. Identify the Recognition Level you are interested in by EMT certification level

Groups:

- a. Conduct education and skill testing for individuals wishing to maintain a Colorado EMT certificate. CE Training Groups conduct periodic continuing education topics, refresher courses, transition courses, or EMT-Basic intravenous therapy courses, and typically conduct State approved practical skills evaluations (2-station tests used only for those renewing using periodic continuing education topics. CE Training Groups may also conduct practical skills examinations.

Centers:

- a. Conduct initial education courses that lead to first-time certification in Colorado plus practical skills examinations (full skill exam required for first-time certification and for the refresher course method of renewing a State certificate).
2. Identify the city location for a State recognized EMS education program that is near you or that you are willing to travel to.
 3. Contact those identified programs for their schedule of education, enrollment requirements, tuition, etc.
